5. Board lifeboats when instructed.

Part C
Long Essay Questions

Answer any 1 question. Each question carries 15 marks.

17. Evaluating the Importance of matching cruise types with appropriate target markets

Introduction: Matching cruise products with customer needs improves satisfaction and profitability.

Types of cruises and target markets

1. Luxury cruises – High-income travellers.
2. Family cruises – Families with children.
3. Contemporary cruises – Middle-income travellers.
4. Expedition cruises – Adventure and nature lovers.
5. River cruises – Cultural and senior travellers.
6. Special-interest cruises – Hobby and interest groups.

Importance

1. Improves customer satisfaction.
2. Supports effective marketing.
3. Helps set suitable prices.
4. Increases bookings and revenue.
5. Supports appropriate itinerary planning.
6. Creates competitive advantage.
7. Encourages repeat bookings.
8. Improves resource utilisation.

Factors to consider

- Age and income.
- Interests and lifestyle.

- Budget and duration.
- Preferred destinations.
- Accessibility requirements.

Conclusion: Matching cruise types with target markets improves customer experience and business success.

18. Discuss how changing cruise itineraries supports less-visited Caribbean destinations

Introduction: Changing itineraries distributes tourism benefits to lesser-known Caribbean destinations.

Ways to support destinations

1. Introduces tourists to lesser-known islands.
2. Generates local income.
3. Creates employment opportunities.
4. Promotes local culture and heritage.
5. Supports community-based tourism.
6. Encourages nature-based activities.
7. Reduces overcrowding at popular ports.
8. Supports local shops and businesses.
9. Encourages regional tourism development.

Examples

- Dominica – Rainforests and waterfalls.
- Saba – Hiking and diving.
- Nevis – Heritage and local culture.
- Montserrat – Volcanic landscapes.

Challenges

1. Limited port infrastructure.
2. High development costs.
3. Environmental damage.
4. Seasonal storms and hurricanes.
5. Limited local services.

Sustainable measures

- Improve port facilities.
- Protect the environment.
- Train local guides.
- Involve local communities.
- Monitor visitor numbers.

Conclusion: Itinerary diversification promotes balanced economic growth and sustainable Caribbean tourism.

19. Explain the major challenges involved in managing a multicultural cruise ship crew on a cruise ship

Introduction: A multicultural crew consists of employees from different nationalities, languages, and cultural backgrounds.

Major challenges

1. Language barriers.
2. Cultural misunderstandings.
3. Religious differences.
4. Different work practices.
5. Workplace conflicts.
6. Leadership and authority differences.
7. Discrimination and stereotyping.
8. Food and accommodation preferences.
9. Homesickness and stress.
10. Differences in training.
11. Emergency communication difficulties.

Management solutions

1. Provide cultural-awareness training.
2. Establish a common working language.
3. Maintain clear workplace policies.
4. Practise inclusive leadership.

5. Conduct team-building activities.
6. Provide fair grievance procedures.
7. Ensure equal treatment.
8. Offer employee welfare support.
9. Conduct regular safety drills.
10. Provide standardised training.

Benefits of effective management

- Better teamwork.
- Improved passenger service.
- Fewer conflicts.
- Higher employee morale.
- Improved onboard safety.
