MAHATMA GANDHI UNIVERSITY, KOTTAYAM
MGU-UGP (HONOURS)
FIFTH SEMESTER EXAMINATION
(2024 ADMISSION ONWARDS)
Course Code: MG5DSEBOT301
Course Title: Phytogeography, Forestry and Ecotourism

Time: 2 Hrs **Maximum Marks: 70**

Remember (K), Understand (U), Apply (A), Analyse (An), Evaluate (E), Create (C), Skill (S), Interest (I) and Appreciation (Ap)
Student should attempt at least one question from each Course Outcome to enhance their overall outcome attainability.

Part A:
Very Short Answer Questions
Answer 10 questions
Each question carries 2 marks

1. What is remote sensing?	Remember	2
2. Define edaphic factors.	Remember	2
3. What is endemic distribution?	Remember	1
4. Define the migration hypothesis.	Remember	1
5. What is meant by long-distance dispersal?	Remember	1
6. Define the age-area hypothesis.	Remember	1
7. What is meant by biotic factors?	Remember	1
8. Define sustainable forest management.	Remember	3
9. Mention the importance of heritage ecotourism in conservation.	Appreciation	5
10. State the importance of wildlife tourism in wildlife conservation.	Appreciation	5
11. Mention the importance of community participation in ecotourism.	Appreciation	5
12. State the significance of India's first planned ecotourism destination.	Appreciation	5

Part B:

Short Answer Type Questions
Answer 8 Questions
Each question carries 5 marks

13. Explain the positive and negative interactions among plants with suitable examples.	Understand	2
14. Describe the physical and chemical properties of soil and their influence on plants.	Understand	2
15. Explain the major climatic factors affecting plant growth and distribution.	Understand	2
16. Describe the anatomical and physiological adaptations of plants to their environment.	Understand	2
17. Explain the role of remote sensing and GIS in ecological studies.	Understand	2
18. Give an account of Joint Forest Management.	Understand	3
19. Explain the principles and practices of silviculture.	Understand	4
20. Describe the major threats to forest biodiversity and suggest suitable conservation measures.	Understand	4
21. Discuss the significance of the positive and negative impacts of ecotourism on the environment and local communities.	Appreciation	5
22. Discuss the importance of Thattekkad as an ecotourism destination for biodiversity conservation.	Appreciation	5

Part C:

Essay Type Questions
Answer any one question
Each Question carries 10 marks

23. Explain the major aquatic and terrestrial biomes of the world, highlighting their characteristic features.	Understand	1
24. Describe the major forest types of India and explain their characteristic features.	Understand	3
